

Communist Party of Macedonia

Dear Comrades,

On behalf of the membership of the Communist Party of Macedonia, receive our congratulations for your 95th year anniversary with wishes for further success of your party on the political scene in Greece.

Communist Party of Macedonia wants to express its full moral and political support to the Communist Party of Greece in its efforts to achieve and realize the communist ideology and building a more human society of equality and freedom, as well as full enjoyment of human rights.

The existence and the political role of the Communist Party is particularly important for Greece, especially in these moments when your country is going through serious economic crisis that affects the live of every citizen of Republic of Greece.

In this occasion, we also emphasize that the cooperation and exchange of experiences with your party, would be of great importance and significance for the Communist Party of Macedonia in achieving the goals of the communist ideology for building a constructive world and better future.

We must point out the fact that, the cooperation between our parties is on a high level of good and friendly relations and we aspect that it will continue and in the future.

Happy anniversary!!!

With comradely greetings,

Skopje, 06.12.2013

Communist Party of Macedonia
General Secretary
